\$1,774,000

3 Bedroom, 2.00 Bathroom, 400 Sqm

Residential on 0.00 Sqm

, Manuel Antonio, Puntarenas

Our luxury, Balinese-inspired penthouse boasts 4,200 square feet of impeccable, exotic furnishings and majestic details. Each Penthouse consists of three levels with four bedrooms, allowing up to a maximum of eight guests. The Penthouse Master Suite is located on the upper level of the residence, from which guests can access a private terrace with a Jacuzzi.

The Penthouse commands spectacular views of the rainforest canopy, Pacific Ocean, and Manuel Antonio National Park. At our highest level offered, the Penthouse provides guests with a panoramic view that is both unparalleled and extraordinary in its scope and scale. On a clear day expect to see way beyond just Manuel Antonio. In the distance you'll see the world famous beaches of Parrita and Jaco. And if you're standing around at just the right moment you'll observe any number of natural phenomena. Awe inspiring sunsets. Monkeys swinging gracefully from tree to tree. A flock of tropical birds migrating overhead at what feels like an arm's length away.

The penthouse is made up of a single category and is a single unit with 3 levels from the eighth floor.
