Residential on 1406.00 Sqm

, Santa Ana, San Jose

The Mediterranean villa located in Bosques de Lindora is the definition of perfect luxurious family nest to share life with and spend memorable moments.

The residence beauty resides in many factors such as its wide jacuzzi , music soundproof room, master suite with its own jacuzzi and private garden and wide crafted garden. As one enters the mediterranean villa one can appreciate the luxury finishes of the single familia residence such as marble and stone finishes throughout the property. The residence is the perfect blend between a family residence with social amenities to host a wide variety of events. The first things as one enters is the wide living room with brick ceilings which rekindles and transports you to the mediterranean coast. One also appreciates marble floors and cedar wood details. The beauty of the living room is its openness to the terrace and the beautiful green spaces and social spaces. The residence amenities include a stainless steel BBQ, an eight person jacuzzi with gas heating, a music professional room and a great wide terrace to host events.

The residence's kitchen was crafted and built to enjoy family and the best things in life, all appliances are luxury and the cabinets are Santos with a beautiful beige granite island as the heart of this space. From the entrance towards the left side one can get into the

music room with soundproof windows, every musicians dream. The home also has a wide TV room perfect for watching movies, a wide office or study space and four bedrooms each with its own air conditioning , private bathroom and walk in closet.

From the TV room there is an access to the attic which is suitable for an extra room for different uses. The master suite is beautifully designed and has a professional audio system, double walk in closet and breathtaking wide bathroom with an internal garden perfect to enjoy one's intimacy featuring marble countertops. The master bathroom has a large jacuzzi to relax after a long day. The residence also has a full service quarter and 1406 of beautiful land to enjoy and unplug. Located in one of the most sought after gated communities of the Central Valley this mediterranean residence is the perfect place to raise a family and enjoy the finer things in life.
