Within Coco Sunset this unit sits at the top of the high end of the development towards the east side. With lush bougainvillea colors trickling up the sides of the building this gives it a true Mediterranean feel to the cool insides. Natural brick colored floors are the common denominator through out the various stories. This home is offered completely furnished. Ground level holds kitchen, laundry, dining and living room as well as an outdoor terrace including all brand new stainless steel appliances and right in front of one of the pools. Climbing up the stairs, natural light allows for a well lit staircase that takes you to the bedrooms and two oversized bathrooms shared on this level. Both bedrooms have a great outdoor terrace with ocean views that allow you to see over all of Coco bay. Fully equipped with everything you need. Only a short 30 minute drive from the international Airport and private health care clinic San Rafael Arcangel in Liberia, upon leaving the house it is about a 3 minute walk to the beach, restaurants, convenience stores and all kinds of amenities.
