Residential on 0.00 Sqm

, Heredia, Heredia

This 2 stories charming family home was built in 2004 and remodeled with the best construction standards and materials in 2010. The house consists of 5 bedrooms 5 baths, plus a full maid's room and half bathroom. 1st level we have a maid's room and guest room and a half a bathroom for visits. All of the rooms are of a considerably large size with a walking closet each with a guest room that is approximately 50 meters big. Trims, baseboards, frames, and doors are made of fine cedar wood giving this house a delicate cozy touch. Continuing in the 1st floor we have a big black granite and marble kitchen with a breakfast area followed by the dining room and living room. Around the house, you will find gardens and natural light and a BBQ area with an indoor 4-car garage. In the 2nd floor, you will find 4 spacious bedrooms, one can be used as an office, and the master bedroom with a small living room inside and one main tv living room for the 4 upper rooms. All the house has porcelain floors and fine marble sinks in bathrooms. Lot 425.76m2, construction 620.92m.
