Known for its full golf course this gated community is minutes away from Lindora's top restaurants, bars and schools. Villa Amalfi resembles Italian architecture and design since one enters to the property. As one comes in you can see a gran foie with an Italian balcony and on the right a full bedroom on the first level with a full bathroom. As one continues you can see the living room, dining room and on the left a subdivision for the kitchen which resembles Amalfi with polished burnt sienna granite. On the left of the kitchen there is an access for a full laundry area and then on the right access towards the terrace which is impeccable and has a Amalfi inspired swimming pool with a fountain. On the second level on the left one can see the master suite totally separated from the other bedroom which enables privacy and comfort and a full balcony overlooking the Central Valley. There is also abigarramientos walk in closet and a double sink bathroom and a jacuzzi and glass shower. On the right side of the second level there are three full bedrooms, one of them with private bathroom and the other two with a shared one and a tv room. On the third floor of the residence there is a multipurpose room perfect for a gym, office or guest bedroom. Also there is a door for a huge attic perfect for storage. Villa Amalfi is the perfect residence to have never ending

parties, family gatherings and sunset wine moments. If you are passionate about carefully crafted architecture, private amenities and exclusive location welcome home!
