Boho Jaco, a unique beachfront development on the north end of Jaco, is slated to become the area's most impressive oceanside community. Beyond the magnitude of this 22 story building, boasting 216 condos ranging in size and price, what is perhaps most impressive is the vision from its' experienced Costa Rican developers, to include a seemingly endless array of amenities to ensure a dynamic beach lifestyle for owners and guests. In addition to the location directly on the sand and the ocean at your doorstep, developers have included something for everyone such as a recreational and semi olympic pool, spa, gym, jacuzzi, massage and relaxation areas, co working, mini golf, golf simulator, rooftop terrace, gazebos, restaurant, lounges, bar and so much more. This beachfront, 3 bedroom residence offers enviable ocean views which are unobstructed and attainable from almost every corner of the residence. The social areas inside the condo are open, with a large kitchen equipped with an extensive island for cooking, prepping and of course entertainment. From the kitchen, living and dining room, you will enjoy the ocean views, and all spill out onto the terrace overlooking the coastline below. The private areas include a tv room, laundry, as well as two guest bedrooms with a shared bathroom, and of course, the primary suite with en suite bathroom, closet, and engaging views from floor to ceiling. Take advantage of the preconstruction opportunity, and reserve now

and pay as the development progress to ensure your spot in this Boho history in Jaco Beach.
