Lots and Land on 8.00 Sqm

Uvita, Dominical, Puntarenas

If you're in search of the most stunning location in the country, you've found it. Spanning over 20 acres, this land features both primary and secondary jungles brimming with diverse wildlife, enchanting waterfalls, natural springs, and a landscape so spectacular it will steal your heart. This idyllic retreat, a mere 15-minute drive from downtown Uvita via the renowned Calle La Unión, leads to the majestic Cerro Del Tigre, which lends its name to this property as it sits on this charming hill. A 4x4 vehicle is necessary for access, enhancing its seclusion as one of the final plots along this route. The journey offers breathtaking views, ushering you into a haven where nature's tranquility reigns supreme. Prominent features include an ocean view towards the spectacular Piedra Ballena and a spacious, ready-to-build site. A pathway at the property's summit borders the adjacent land, while vibrant trails weave through the terrain, leading you to some of the most extraordinary waterfalls imaginable — far beyond what any photo could capture. Here, hiking, swimming, and relishing in serene solitude are activities reserved for you and your loved ones. You will be drawn to the vast potential of this land, which includes several building sites overlooking the jungle, majestic mountain vistas, and a primary location with an ocean view. This sanctuary is a biodiversity hotspot, home to hundreds of animal species and a plethora of plant varieties, illustrating Earth's natural splendor.
