, Heredia, Heredia

Elegant colonial house in a private residential area in Heredia with a large lot and an exquisite colonial style. The details of wood, natural stones, large windows and coffered ceilings in various spaces of the house. Wood is one of the protagonists in each unique detail. It is a 2 level property with a main house, a separate apartment or guest house and an outside gazebo in the large garden. All outdoor areas have garden details. The brick is another of the protagonists in the social area, giving a cozy and warm detail. The main house is on 2 levels and is in an excellent state of maintenance. The social spaces are wide, fluid and connected to the large garden. On the second level are the bedrooms, spacious and with a good view.
