The arrival at the secure gates, opens the door to an expansive community that boasts kilometers of pristine coastline, 18 hole golf course, tennis courts, horseback riding facilities, biking trails, beach club, and so much more. Casa Tesoro, or the treasure house in English, has earned the name as a true standout, iconic luxury estate within this premiere beachfront community. The 6 bedrooms, 6 and a half bath home is situated within the coveted Reserva del Golf community, and boasts just under a half an acre of lush, private land with impeccable landscaping providing a true oasis of privacy and exclusivity. The classic, architectural style is accented with impressive finishes throughout including custom iron and mill work, polished travertine floors, antique plaster/venetian stucco throughout. Upon entering the home, the attention to detail is evident in each and every corner, and the architect took great care to create a floor plan that suits large families, entertaining, and of course, getting away from the hustle bustle of the daily grind. On the first floor, you will find 2

of the 4 master suites, and 2 guest suites, each with custom, ensuite bathrooms. Of course, here you will also find the chef's kitchen, which offers the finest in professional appliances, dual island, custom wood cabinetry, as well as an abundance of natural light overlooking the pool, terrace and garden area. The pool and garden area is the true gem of this property, creating an outdoor, yet completely private space to enjoy the year round tropical weather. The terrace offers both under roof shaded space, as well as pool deck ideal for sunbathing, and the unique combination of the colonial inspired architecture, the basking sun, and the lush greenery makes for a picture perfect background to host bbq, parties, or just entertaining friends and family. The first floor is also where you will find the great room with exposed beams on the high ceilings, living room, dining room, pool table and of course, access to the second floor towards the entrance via an elegant, staircase leading to the additional two main suites of the luxury home. These suites are also masterfully appointed, but also offer expansive, covered terraces to enjoy the outdoor space, without having to go downstairs.
