This townhouse is found in Jaboncillos, one of the most beautiful and exclusive areas of Escazú. The property is located in Los Pinos gated community, on a small hill with a spectacular view of the city.

The house has exquisite wood finishes on the floors and in the bathroom and kitchen furniture.

Entering the house we are greeted by a beautiful foyer with a stone finish at the back. Towards the left side we find a large open concept living room and dining room with high ceilings which helps to keep the temperature cool. There are windows all around that face the garden and allow daylight to enter and illuminate all the social areas.

The good-sized dining room has sliding glass doors that lead to the terrace and garden. The kitchen is spacious and has enough space to have a dining room for daily meals. To the left hand side of the kitchen is the laundry area and the maid's quarters with its bathroom. The service area communicates with the garage, which allows you to park your car and take your groceries from the supermarket directly to the kitchen. The garage has space for two vehicles under cover and two additional spaces behind uncovered.

On the second floor we find a large television room on the left hand side. Towards the right hand side we find the bedrooms. The secondary bedrooms are good sized and the main one is spacious with a window that

overlooks a forest from the next door neighbor's property. The master bedroom offers air conditioning and has a large bathroom with a walk-in closet. One of the secondary bedrooms has its own bathroom and the other two secondary rooms share a bathroom.
