Perched on a hillside hovering over the affluent suburb of Escazu, Belmonte truly touts a five star location. The developers carefully selected the land not only for its convenience to the area's cafes, restaurants, banks, shopping, international schools, but for its unobstructed, panoramic city and mountain views and lush tropical setting. Belmonte simply offers the finest combination of convenience, exclusivity, luxury and privacy in an incomparable setting just minutes from everything. This particular residence is located on the second level, and boasts stunning views of the valley, city and mountains in its forefront. As the developers offer the condominium in grey, it allows for each owner to design and finish both floor plans and details to their liking. All residences feature floor to ceiling glass allowing for an abundance of natural light, and this particular residence offers an expansive terrace off the living space, allowing for its lucky owners to enjoy the cool mountain climate, and hypnotizing views below. Belmonte does not stop short with its location and views, as it is also features world class, resort style amenities including a gorgeous rooftop pool, sundeck, bbq area, kitchen, fully equipped gym, sauna, steamroom, massage room, meeting room, kids playroom, wine cellar and a private theater. Schedule an appointment now to come visit the final few residences available in Belmonte and treat yourself to the lifestyle that you have worked so hard to attain!
