4 Bedroom, 7.00 Bathroom, 500 Sqm

Residential on 942.00 Sqm

, Escazu, San Jose

This newly remodeled estate property is perfect for those looking for an oasis in the city. The sought after neighborhood is centrally located in the high-end area of Escazu. Just a short 5-minute drive to shopping and fine dining. The residential area consists of high-end homes and a wonderful neighborhood feel. The home has been completely remodeled and redesigned by international designers. This wasn't their first rodeo, and it shows in all the details and gorgeous touches throughout the home. The home is something that you will not find anywhere in the area and at this price it includes a completely turnkey move in ready independent home, what you see is what you get (except for personal art collection). For those who look for their personal sanctuary in the city with a touch of brilliance in design this is the home for you. The home consists of 4 bedrooms each with their own en-suite bathrooms for ultimate privacy. The master bedroom is spacious with its own sitting area, walkin closet, and large master bath including a jacuzzi tub. All bedrooms are found on the second floor of the home. The first floor consists of the living area and social areas. The chefs kitchen is designed for entertaining and for anyone who loves to cook. The thought out layout is perfect for cooking up intimate or large meals for family and friends. The home is so well lit with natural light in the day and strategically lit with impressive lighting and fixtures at night. The

mood of the home changes with the lighting once the sun goes down.

The staple feature of the home is the private oasis jacuzzi tub and sauna. This little enclave of peace is perfect for a get away just steps from your living room. The pool area is just equally divine with meticulous landscaping and a small private bar area for entertaining on hot summer days. This is a home that you actually have to see and feel for yourself to truly appreciate the unique touches, the international design, and the distribution of all the spaces.
