

\$1,190,000 - Casa Las Vistas | Your Ideal 3 Level Home, Escazu

MLS® #costa_rica_22021

\$1,190,000

4 Bedroom, 5.00 Bathroom, 500 Sqm
Residential on 1975.00 Sqm

, Escazu, San Jose

Nestled in the heart of Escazú, one of the most sought-after and upscale neighborhoods in Costa Rica's Central Valley, this stunning three-level home offers the perfect blend of elegance, comfort, and modern convenience. Fully remodeled just eight months ago, the property combines a fresh, contemporary design with a warm, inviting atmosphere that truly makes it feel like home.

As you step inside, you're welcomed by spacious living areas filled with natural light and breathtaking views of the Central Valley. The residence features four generously sized bedrooms, plus a full bathroom conveniently located for guests. The master suite serves as a peaceful retreat, complete with a walk-in closet and spa-like bathroom designed for total relaxation.

The home also offers a versatile maid's quarters that can be configured as a one-and-a-half or two-room setup—perfect as a maid's room with a private living area, or as separate accommodations for a maid and a driver. This space includes its own bathroom for added privacy and functionality.

For everyday convenience, the property boasts a dedicated laundry room with ample space and storage, designed to make household routines seamless and efficient. Ideal for entertaining and family living, the house includes a cozy fireplace, a stylish game room, and a versatile office or

multipurpose room perfect for working from home. Outdoor living is just as impressive, with a private, solar-heated swimming pool, tranquil gardens, and a spacious patio with a BBQ area—all designed to take full advantage of Costa Rica’s year-round beautiful climate. Located within a secure gated community with 24/7 security and controlled access, this property provides both peace of mind and exclusivity. It also includes two covered parking spaces and three additional exterior parking spots. High-speed internet ensures seamless connectivity for both work and leisure.

Built in 1993
