MLS® #costa_rica_299

\$3,500,000

6 Bedroom, 7.00 Bathroom, 601 Sqm
Residential on 759.00 Sqm

, Tamarindo, Guanacaste

Better known as Casa Roble, Model L, will be a very unique luxury home, with an amazing ocean view that will strategically be built on two lots, with breathtaking views towards the Langosta beach and the National Park Marino las Baulas. This location will provide complete independence as there will not be any immediate neighbors, instead the home will be surrounded by a lush garden area. Upon walking into the foyer, it will lead to a great room area, this amazing open space combines the living, dining, and kitchen areas, while the floor-to-ceiling glass sliding doors connect directly onto the equally large, covered terrace. The vast terrace welcomes family and friends to enjoy a direct connection to nature while enjoying a BBQ near the beautiful pool overlooking the Pacific Ocean. On the superior level, this large marvelous home will have enough space to accommodate 6 spacious bedrooms, and 6.5 bathrooms, 2 of which will be masters with their own walk-in closet and double vanity sink, plus a private deck area to enjoy the stunning summer afternoon sunsets. The 6th bedroom will be a separate apartment above the carport with its own walk-in closet, and independent covered terrace, this additional space could be adjusted to one's preference such as a personal gym, home office, etc.
