This is a beautiful, four-bedroom ocean-view home situated in Uvita, and just 7 minutes from the beaches, nature tours, whale watching, surfing, and more. From every room in this property, you will see the spectacular views over the Whale's Tail, with three national parks filling the horizon, and it's located on the hillside avoiding the noise of the town.

The existing four bedrooms are arranged in two adjacent buildings each with Teak-wood kitchens. The second building is laid out with two en-suite bedrooms, with an office and bedroom combination on the first level, and a studio setup on the second level with a small kitchen, a murphy bed, and huge private porch. Both bedrooms here have equally spectacular ocean views.

The property also features gated parking for five cars and covered for three, 2wd access on paved roads, water provided by the Uvita ASADA, and fiber optic Internet.
