Platanillo, Dominical, Puntarenas

This stunning property is located in the beautiful and picturesque town of Platanillo. This area of the South Pacific is greatly desired by expats who enjoy being close to the beach but want to live in a cooler climate full of springs, rivers and waterfalls! Just 15 minutes drive from nearby surfing hotspot Dominical, and 5 minutes from the popular tourist attraction, Nauyaca Waterfall, Platanillo gives you the best of both worlds, close to nature and deserted beaches yet far enough away from the hustle and bustle of the busier towns of the South Pacific. After entering the electric gate at the beginning of the property, you will find this 46-hectare property has access to all public services. Here you will find the path that begins to take us to the upper parts of the property with amazing Ocean Views and Valleys Views. The property has water springs to access fresh water, as well as a small forest, house, a corral for animals and a variety of fruit trees. Many great flat areas are already set to build a beautiful house or multiple houses with dreamy views. With all the necessary facilities for a sustainable gated community, this unique property is not expected to last long on the market
