Residential on 5018.00 Sqm

, Dominical, Puntarenas

Make yourself at home, while visiting this "new to the market" luxury property in the prestigious Las Olas community in Dominical hills.

As soon as you step foot onto the property, you will be stunned by the beautiful Spanish Colonial flair that this villa has to offer. With a tropical setting and well-made architectural features that make this house a work of art. Completed in 2006, this one-story home has a total of 4,000 square feet of construction space and is situated on a sprawling 1.24-acre property. The home offers 3 bedrooms, 4 bathrooms, and a sizable pool, perfect for outdoor entertaining. It is a great place to work thanks to the dedicated office space and the fiber optic internet that is hard-wired into the building. Additionally, the detached garage and storage room offer safe parking for your vehicles.

Suenos Pacíficos, it's a lavish property with front row ocean and white waters views. From the infinity edge pool, take in the jaw dropping panoramic views stretching from Punta Dominical to Manuel Antonio National Park. Due to the community's walk to the beach location, ease of access, and close proximity to the region's most popular tourist attractions, Las Olas is the best location to own a luxury vacation rental home in the Dominical area. This home will guarantee an excellent return as a vacation rental.

In addition, this property is thought to have the best level of safety along the South Pacific Coast of Costa Rica. You and your guests need not worry about security, as this property is safely guarded with controlled gated access and 24-hour security guard service.
