The location is just minutes from the coastline and town, yet privately perched in a natural oasis. An internal road already exists within farm which also contains springs, a shared water well, and electric (to the property but not throughout). This area is already zoned for development and new buyers and guests can enjoy living near the quaint town of Dominical which is known for it's waves and laid back nature. There is so much to see and do in the area, visitors will have a wide variety of tours to choose from.
