Lots and Land on 3.20 Sqm

, Dominical, Puntarenas

What you are looking at right now, it is truly the best of the best. This Spectacular 8 Acre parcel with panoramic 180-degree ocean views, is perched on a front-row ridge above the sparkling Pacific Ocean, with romantic views of the Whales Tail and Cano Island. From this large property, you will enjoy year-round tropical sunsets.

With a very private setting and little to no traffic on a dead end road, this property is surrounded by lush jungle and it borders a huge private nature reserve and an animal rescue center.

This land comes development ready and has an amazing location perfectly suited for a splendid private estate or lucrative luxury vacation rental home. There is a huge building site with room to expand further. Water is available to the property via concession from the private well. There is underground electricity already in place.

The property enjoys very easy access just 1 km off the highway. It is only a few minutes drive to the beaches of Dominical and 10 minutes to the thriving full service town of Uvita and Marino Ballena National Park where whale watching, fishing and diving tours are offered daily.

This sizeable, highly desirable, protected jungle parcel is truly special with unparalleled views and convenient location.
