Jaboncillos, Escazu, San Jose

This unique luxury condo has it all. Luxury finishes, immaculate panoramic views, and an unbeatable location within one of the most exclusive residential communities in Escazu: Acropolis. Located at the end of a very private residential road, Acropolis is the perfect combination of privacy, exclusivity and luxury living. Boasting panoramic views from throughout the development, a palm lined entrance brings you into the world of this very exclusive, yet low profile community. Talk about a sense of arrival. There is no community that provides an equivalent sense of exclusivity, privacy, security and luxury to the one at Acropolis in Escazu. Two, key only access, private elevators take you to the fifth floor of the 6 story tower. The main floor of the building has a small office for business meetings, as well as a personal gym, and access via elevators to underground parking below. The doors of the elevator open directly into the apartment, which encompasses the entire 5th floor, with over 800m2 of internal living space. The distribution boasts 3 bedroom, numerous bathrooms, home office, dual living areas, multiple maid's or service quarters, as well as an envious social area ideal for entertaining family and friends. It is difficult to imagine finding a more exclusive one floor residence, that provides the exclusivity, panoramic views, security and ability to lock and leave, than this penthouse at Acropolis. The floor plan allows for flexible use and locking off social areas from the private

areas of the home. Upon entering the social area, you are welcomed into a grand living area, with open floor plan hosting a lobby, bar, casual and formal living room, as well as a dining room. All of these areas overlooking the jaw dropping city views also offering abundant natural light to this impeccable space. Just off the dining room, you access a foyer servicing the spacious kitchen with an island overlooking the mountains of Escazu behind the building. Off the kitchen, are the ample service and laundry facilities, with two separate service quarters, ample pantry, bathrooms and separate entrance. The private area of the home, boasts a spacious tv/family room, home office, guest bedroom overlooking the mountains of Escazu, as well as one other guest bedroom, with private bath and walk in closet overlooking the city. The master suite, is nothing less than spectacular with a spacious bedroom, large walk in closet, wrap around floor to ceiling glass bringing in both natural light, and host to panoramic city and mountain views. There is of course, an enviable master bathroom to match the quality and majestic details of the rest of this unique penthouse residence. This particular residence also boasts a private, rooftop terrace, which can be furnished and equipped to create a magical breakfast corner, rooftop garden, or sunset entertainment escape. Three underground parking spaces, extra storage lockable room, and additional maid's quarter also located in the underground parking.
