, Escazu, San Jose

As Torres del Country has become a very sought after vertical residential community, we are excited to present the Tower 3 penthouse with amazing city and mountain views.

Besides the fantastic view that the penthouse offers, the location has proven to be a great asset considering that within walking distance from the towers, you can go to the banks, convenience store, restaurants, gym, sports bars, Costa Rica Country Club, and you can smell the Krispy Kreme kitchen store nearby! A bit farther away and about 5-7 minutes, you can get to San Jose's top shopping mall Multiplaza and Juan Santamaria International Airport, 25-30 minutes away. The interior includes 3 bedrooms plus office space and maid's quarters with a full bathroom, adding up to 4.5 bathrooms. A terrace facing the northern part of the Central Valley has enough room to create a fun, entertaining area for family and friends. The eastern views lead to the Costa Rica Country Club, precisely the golf course, tennis courts, and indoor pool. To the south, the Escazu mountains offer a satisfying and refreshing sunset cocktail view! Enjoy with your family and friends this Torres del Country unique penthouse!
