\$700,000

0 Bedroom, Bathroom,
Lots and Land on 52.00 Sqm

, Golfito, Puntarenas

This spectacular 130 Acres property is located in the southern region of Costa Rica, just 15 minutes away from the New Marina in Golfito and is one of the fastest-growing areas in this part of the country, as well as an excellent investment area.

The property features an internal road that surrounds it, leading to the highest point with a large building site offering incredible views of the valley and a majestic river, as it is the highest mountain facing the valley. It also has permits for tree logging to expand construction areas, making it ideal for housing projects, gated communities, retreat centers, or the perfect spot to build your dream home on the mountaintop. Chances are endless.

There are jungle trails on the property that lead to the river, which guarantees opportunities for walking, swimming, and observing a wide variety of flora and fauna that really make you feel like you're in a paradise. This property is one in a million. The photos really do not do justice to such a beautiful place, with its biodiversity.

This is trully a unique opportunity to own this awesome farm, surrounded by wildlife.
