Inside, you'll find attention to detail and a commitment to luxury. The floors are made of special teak wood that adds elegance and warmth to the home. The house has a great view of the Pacific Ocean. In the morning, the ocean is soft blue and turquoise. At midday, it becomes deep blue under the sun. The sunset is especially enchanting, with golden, purple, and pink colors reflecting on the water. There are many birds in the area, like toucans and songbirds, making it perfect for bird-watching. You might also see monkeys, jaguars, or sloths in the lush landscape. The house's design is impressive, with a wall facing the ocean that can fold away, connecting the inside and outside.
