Stourbridge, Stourbridge

Oozing with character throughout; We're extremely excited to bring to the market this stunning example of a period detached home on one of Stourbridge "Old Quarter's" most highly sought after addresses. This beautiful house has the rare added benefit of a driveway for multiple vehicles as well as a garage. Briefly, the property comprises; Storm porch leading to grand entrance hall with original wooden floors and wall panelling, a spacious dining room with feature stain glass bay window, a spacious living room with bay window to the rear, a newly fitted (2019) breakfast kitchen with access to the mature rear garden. Additionally, the ground floor has the added benefit of a WC and utility area with access to the garage. To the first floor; four bedrooms large enough to accommodate double beds, a bathroom with bath and shower cubicle and a separate WC. Properties of this style, size and location tend not to stay on the market for long, so we advise an early viewing to avoid disappointment!
